GAMES DEVELOPMENT IN YOUR CLUB. THE IMPORTANT ELEMENTS TO KEEPING YOUR CLUB HEALTHY AND ACTIVE (Eoin Morrissey)

Every year new challenges are thrown up within clubs. Whether it be the recruitment of new coaches to take teams, putting a club plan together or looking at providing more support to your local primary or post primary school. It all depends on where you find yourself presently in terms of your development. Recently we were

meeting coaching officers and club officials around planning for the year. Some of the key themes of the evening almost mirrored our own ambitions for the year (1) providing even more games opportunities (2) upskilling and recruiting coaches and (3) ensuring every club has an active club school link. 2018 will see the roll out of the new Wexford C&G participation plan for U7's to U11's. Numerous events are being scheduled for the coming months giving children the opportunity to develop skills, have fun and develop a love for both hurling and football through a participation based games program. A number of Wexford GAA hosted events such as **GAA on the Quay and the Innovate Wexford Park Play & Stay Day** will be supplemented by multiple blitz days for every club. In between these blitz days, clubs are encouraged to arrange other games to further develop the skills of the game, by using the "Play Us App". This new format is part of a restructuring of fixtures for U8 - U11's in Wexford GAA that links with our "Shed Blitz" and our "Play & Stay Days" Participation and skill development are at the corner stones of this new structure and are fundamental to these new plans. We see games opportunities as the key to ensuring these fundamentals are met. Wexford C&G hope that clubs mirror this ethos and incorporate it into their individual club player pathway model. All games will be played under the "Go Games" ethos which are outlined below. Including the ***"POSITIVE SIDE-LINE ONLY" APPEAL.***

UNDER THIS GO GAMES FORMAT;

- Every child gets a go.
- Activities are structured in a manner which optimises the level of fun, friendship, fair play and achievement derived by participants.
- Participants play in a safe, supportive and stimulating environment where they are encouraged to risk error, to learn and to derive maximum enjoyment from their involvement.
- Players master the basic skills of Hurling and Gaelic Football and experience the sense of accomplishment, which derives from acquiring playing proficiency on the left and right hand side of the body.
  Everybody involved in Go Games, whether as players, parents/guardians, spectators, mentors, teachers, officials etc., are exposed to the key underpinning principles and give expression to the **GAA 'Give Respect, Get Respect' initiative**.

RECRUITMENT – PRIMARY SCHOOL COACHES CE SCHEME

Wexford Coaching & Games Development promotes Gaelic Games in clubs, schools and academies throughout Wexford. A full-time staff of five GDA's working under the County Games Manager cater for the needs of child, youth and adult players in both football and hurling. In catering for players needs in a balanced way, a two-pronged approach is in place. (1) Maximise participation by ensuring that all young children in Wexford are exposed to games and coaching in a fun, positive environment and that the maximum number of such players are subsequently retained for a lifelong involvement in Gaelic Games. (2) Optimise playing standards to ensure that all players are provided with opportunities to fulfil their potential through regular, meaningful games and top class coaching. At various times during the season, Wexford GAA may wish to recruit part time CE coaches for a wide range of coaching projects working alongside GDA's & GDM. These programmes would range from Primary Schools coaching & various camps throughout the county. For more information contact a member of the games development team below.

CÚL CAMPS TO REACH OVER 6,000 CHILDREN IN 2018

The summer is fast approaching and with that comes the GAA Kellogg's Cúl Camps. Over 5,500 children attended last years which is over 33% of the primary school children within the county. Diarmuid Byrne who is the coordinator of the program over the last number of years recently spoke about the continued rise of the camps "It's been fantastic project to be involved in. There is a lot of hard work and effort put in by clubs and coaches on the lead up to the camps but it's all worth it when we receive feedback like we have to date. The booking opens on March 1st and we hope people will book online. Over 80% of attendees did this last year and it was a great help. I think we can go a little further this year. We have two new clubs running camps Our Lady Island St Fintans & Davidstown Courtnacuddy. The aim this year is to reach 6,000 children"
