

## Chadwicks Wexford Park

### Car Park Policy – September 2019

There are a limited number of parking spaces within Chadwicks Wexford Park. Previously, prior to 2019, there were more yearly passes in circulation than could be accommodated leading to frustration among car pass holders when the car park was full. This policy attempts to address this issue and inform all spectators in relation to parking within the ground.

It is impossible to accommodate all parking requests for fixtures, in particular knock-out club fixtures. Players, Match Officials, Stewards, Gatemens, County Board Officials all must be accommodated to ensure the smooth running of these fixtures. In addition, some sponsors of Wexford GAA are entitled to a car pass. Car Park users are advised to facilitate attendees' safe egress from the grounds, cars will be restricted from exiting the car park for up to 20 minutes after full time.

For Senior Inter-County fixtures, car passes are controlled by Leinster Council/Croke Park depending on the fixture.

#### **Clubs**

For every club fixture each team involved is issued with **17** Car Passes to accommodate players, team mentors, physios/medics, video operators and any other members of the backroom team in addition to supporters/club members with limited mobility. This is an increase of **2** passes on previous seasons and it is the responsibility of clubs involved to distribute these passes as they see fit for the fixture in question. Clubs are requested to arrange car-pooling among team/backroom team members and supporters with limited mobility.

#### **Disabled Persons Parking Permit Holders**

25 Spaces (20% of the car park capacity) are reserved for every fixture for Disabled Person's Parking Card/Permit(Disability Pass) holders. **These spaces are generally reserved on a first come first served basis.**

**For Senior Inter-County Fixtures and Senior Club Championship Semi-Finals and Finals only,** application must be made by e-mail to [administrator.wexford@gaa.ie](mailto:administrator.wexford@gaa.ie). Successful applicants will be requested to produce their Disability Pass upon collection of their Car Pass, and also on the day of the fixture.

If a Disability Pass holder arrives to the ground after the designated spaces have been filled, pass holders' cars will be given temporary access to drop off occupants at the turnstiles, however alternative parking must then be secured outside the ground.

We receive many requests from those with limited mobility who do not have a Disability Pass. Unfortunately, due to the limited capacity, it is not possible to accommodate these requests and any such requests should be directed to their club if their club is involved in the fixture. Again, cars can be given temporary access to drop off occupants at the turnstiles in such circumstances, however alternative parking must then be secured outside the ground.

**ALL CAR PASS HOLDERS ARE ADVISED TO ARRIVE EARLY -WHEN THE CAR PARK IS FULL, IT IS FULL.**
